The statistics above are to be considered definitive after 24 hours by the end of the game.

The disciplinary sanctions are not official, as they come by the real-time detection during the game and will become official at the time of the homologation by the competent bodies.

In case of dubious attribution goal, the Lega Serie A will officialize the scorer the day after each round of the League.

The ball possession data is scouted live through the television, with an estimate error of 5%.
